

THUNDERSTORM SFX IN

ON THE TENTH OF JULY IN 1846 DUKA TESLA WAS GIVING BIRTH TO A CHILD IN THE MIDST OF THE STORM. WHILE DUKA'S NURSE SAID THAT THE CHILD WOULD HAVE A BAD OMEN BECAUSE OF THE STORM DUKA SAID THAT HE WOULD BE A CHILD OF THE LIGHT. THIS CHILD WAS THE FAMOUS ELECTRICAL ENGINEER NIKOLA TESLA. NIKOLA WAS SURELY VERY CONNECTED TO ELECTRICITY BEING ONE OF THE FIRST PIONEERS OF ALTERNATING CURRENT, BUT THE THING THAT MAKES NIKOLA TRULY DIFFERENT IS WHAT HE DID AFTER MOST OF HIS CAREER.

WHAT TESLA IS MOST KNOWN FOR IS BEING A GENIUS ELECTRICAL ENGINEER BUT THE THING THAT IS REALLY INTERESTING ABOUT HIM IS THAT HE IS THE CLOSEST THING TO A REAL LIFE MAD SCIENTIST THAT YOU CAN GET.

THE MAD SCIENTIST IS A CHARACTER ARCHETYPE THAT WAS OFTEN USED IN HORROR MOVIES, ONE OF THE BEST EXAMPLES WOULD BE FRANKENSTEIN. MAD SCIENTISTS WERE KNOWN FOR BEING GENIUSES BUT USING THEIR GENIUS TO CREATE ODD OR DANGEROUS INVENTIONS.

AFTER TESLA RETIRED FROM BEING AN ELECTRICAL ENGINEERS HE WAS SAID TO HAVE MADE SOME PRETTY ODD INVENTIONS. FOR INSTANCE NIKOLA TESLA HAD PLANS FOR A DEATH RAY THAT WOULD RUN ON ELECTRICITY. TESLA WAS

ALSO DESIGNING A EARTHQUAKE MACHINE THESE DANGEROUS MACHINES LED THE US GOVERNMENT TO HAVE SUSPICIONS ABOUT TESLA.

AT THE END OF HIS LIFE IT TESLA WOULD TAKE CARE OF PIGEONS. AND THERE WAS ON PIGEON IN PARTICULAR IN WHICH SOME PEOPLE SAY HE FELL IN LOVE WITH. ALSO NEAR THE END OF HIS LIFE HE HAD AN OBSESSION WITH THE NUMBER 3 ALMOST EVERYTHING HE DID HAD TO DO WITH THE NUMBER 3 FOR EXAMPLE IF HE WENT TO A HOTEL THERE HAD TO BE A 3 IN THE ROOM NUMBER. WHEN NIKOLAS LIFE CAME TO AN END HE WAS IN ROOM NUMBER 3327 IN THE NEW YORKER HOTEL IN 1943. NIKOLA WAS A GENIUS WHO HAD MANY GREAT INVENTIONS AND MANY ODD INVENTIONS THAT NOT MANY COULD THINK OF BESIDES HIM. HE WAS TRULY UNIQUE AND STOOD OUT FROM OTHER SCIENTIST BECAUSE OF THIS. HE WAS THE CLOSEST THING TO A MAD SCIENTIST THAT YOU CAN GET.
