

Shelby: Take yourself back to 1999

Zach: Boom boxes, VHS, and CDs

Shelby: Your listening to Two do The New Podcast 6. Throwback Every day. I'm Shelby Neal

Zach: And I'm Zach Salerno

Zach: This week Shelby and I took a musical adventure to The Exchange in Castleton Square which was originally a surprise to Shelby.

Shelby: Finding music, movies, or games from 1999 was our goal.

Shelby: Okay so Zach and I are here and the mystery location is the exchange and Zach do you wanna explain what that is

Zach: Okay so the exchange is kinda like a I don't even know what you'd call it. They sell movies, vinyl, everything basically anything you can't find at normal stores and old school stuff and old school video games and stuff like that so yeah

Shelby: Yeah but isn't it all like used and stuff like that

Zach: Yeah it's all used

Shelby: So yeah we're gonna go inside and our mission I guess, Zach and I were thinking on the way here what we wanted to do so, is to find something from the year 1999 because prince has been stuck in my head all day and we're gonna party like it's 1999 so I'm pretty excited

Shelby: Okay so we're starting out we just walked in Zach and I are in like the record section

Zach: Yes and, were going to look for nineteen ninety nine stuff. Yeah anything from 1999, CD's, games movies one or two items I don't know.

Shelby: Okay yes I'm going to find my nineteen ninety nine thing before Zachary. So Zach's on the other side cheating right now because he knows what year his thing is and I don't think that's very fair because I've been looking by myself and I don't know anything about music or video games and that's all he does all day.

Zach: Ok so there's some really weird music playing and I thought I'd just get some ambient noise.

Zach: Ok so I'm looking for Dr. Dre two thousand and one, but Shelby doesn't know that. Because I know what year it came out so I thought that'd be easier, just to beat her.

Shelby: Day three of my search, I still haven't found anything, this is very difficult.

Zach: Okay so they don't have a Dr. Dre, so I'm gonna get Eminem's slim shady LP instead cause it's the same year and still associated with Dr. Dre. So I gotta look for that now.

Shelby: Okay so I'm looking for a record and I don't know the years of anything. So it's kind of a big struggle for me and I want to know the person that like I'm looking for. Like I found a couple from nineteen ninety nine but like I still want to know the person.

Zach: Shelby's still looking, she's helpless over there. She's crying and screaming.

Zach: Okay so I was looking in the wrong section, I actually did find the Dr. Dre album in the end, it's right here. I'm gonna grab it and I won.

Jeremy(Store Manager): Hi my name's Jeffrey, I've been manager here for about the last six months. I've been with the exchange for about over three years here we buy sell trade anything pop culture. Video games, music, movies related. We pretty much take anything that we can think of that is like geek nerd culture. If you have a love for something like arts like music or video games or movies than definitely we got all sorts of stuff for people here.

Zach: So I got mine. I just think the lay out this one's a lot bigger than the one in Chicago.

Shelby: It is so different like, I like how it's like laid out like more less organized.

Zach: I like it more to be honest

Shelby: I know I like it too. All the records are in one central area I like that a lot.

Zach: This one kinda feels like your in a block buster and then like the other ones kinds like a really city feel everything's jammed in the corner which is cool but I enjoy this one.

Jeremy: Seven forty nine, there's that.

Zach: Yeah we thought we'd come check this one out because we always go to the one in Chicago.

Jeremy: Oh, really?

Zach: That one's really cool.

Jeremy: Those one's are so tiny compared to these ones.

Zach: yeah we were just talking about that, cause we like this one more. The lay out is a lot more spread out.

Jeremy: Yeah

Shelby: Okay so Zack and I just got out of the exchange and hopped in the car and do you wanna explain what you got.

Zach: Okay so I got Dr. Dre' two thousand and one from nineteen ninety nine.

Shelby: And of course he won the challenge partially because he knows absolutely everything about music so this is kind of like an unfair advantage.

Zach: Yeah I just knew I wanted this right away because I want to listen to the next episode in the car which were about to do. It also came with a really sick picture of Dr. Dre.

Shelby: I've never used a CD player before, oh it just starts playing by itself?

Shelby: Were on too, our next location. Were probably gonna find food from somewhere.

Zach: I want hot soft pretzels but I don't know why I said hot before I said soft pretzel. I want soft pretzels but I think Shelby wants actual food.

Shelby: Okay so yeah we're going to go find food. And fill you in when we get there since we don't know where we're going.

Shelby: Ok, so we're going to the mall my favorite place in the whole entire flipping world.

Shelby: I don't know where we're going, we're not going to Mcallister's

Zach: Ok so we're going to the mall to just see what food they have. So yeah.

Shelby: I am so excited.

Zach: Ok so were at castleton square mall now there's a forever twenty one that shall we were not going.

Shelby: We're going into forever twenty one.

Zach: We don't have any time.

Shelby: Zach Zach Zach

Shelby: So we're at Auntie Anne's, how do you say it Auntie Anne's?

Zach: Auntie Anne's

Shelby: Auntie Anne's I don't know

Zach: This is my favorite place in the world I just want to make that clear.

Shelby: Okay so yeah we're getting pretzels. So Zach and I got Auntie Anne's and now we're back in the car headed for home.

Shelby: It was such a fun experience I love the fact that we like went somewhere that we had already been but in another location. Like the exchange is like one of my favorite places to find like stuff that you can't find anywhere else.

Shelby: Can you stop eating for 30 seconds. So yeah Auntie Anne's was like the perfect way to end it cause like pretzels yum

Zach: So yeah we got to visit a lot of places that we've been too in different locations.

Didn't we go to Auntie Anne's in Chicago too? and then Indians like the perfect way to end it because like pretzels.

Shelby: We did

Zach: I didn't even think about that till now.

Shelby: We did the exact same thing, that's so cute! So yeah we went there too, this is a better pretzel cause my pretzel came out like thick. I know that probably doesn't make any sense but my pretzel was super thick.

Shelby: So yeah good times!
