

## EPIISODE 4: RADIO GOOGOO GAGA

Is this the real life? Is this just fantasy caught in a landslide, no escape from reality? Maybe it is... maybe we're the landslide of reality...

(Intro)

**Sky:** Good morning Wyoming! It's a glorious day. The moon is singing, the Wyoming Stamp is chirping, and the sky is a beautiful neon green. Dan Dan the man has declared that tonight he is gonna have himself a real good time. He has requested that we inform you of his demand to not stop him now.

**Via:** He has decorated himself in the furs of what he refers to as a "tiger" and has hired the triplets, ya know, Starshine, Olive, and Phoebe? To turn him into a shooting star to shoot through the sky tonight. Of course you won't see it because the sun will be burning brightly as usual at that time of night.

**Sky:** Have fun, King Dan!

**Via:** Old Man Gary's efforts to begin a bicycle race have proved fruitless, so he has settled for racing against himself.

**Sky:** We don't know how he expects to win or lose, but we can't wait to find out!

**Via:** Yes ma'am, no fat bottomed girls will be riding today, but at least there's Old Man Gary.

\*CRAHSDFJSDLKFJSDL\*

**Sky:** Or maybe not. KARL!

**Old Man Gary (background):** Bicycle... Bicycle... I don't want to be the president of America mumsy! I want to ride my bicycle!

**Karl:** Yea? What do you need?

**Via:** Old Man Gary is having some... technical difficulties. We're gonna go help him out and in the meantime we need YOU to take over.

**Karl:** Me? You mean...

**Sky:** Yes Karl. Shut up and start talking.

**Via:** Try not to shut down the station while you're at it.

**Sky:** We do have the power to eviscerate you and we WILL use it.

**Old Man Gary:** Black! White! Bark! Bite! Bike! Bike! Bike! Bike!

\*exiting noises\*

**Karl:** He-he-he-hello Wy-wyoming. It's me, Karl. I guess I'm a radio broadcaster now! Oh right... you can't see me waving... I feel like an invisible man here.

\*spooky music begins\*

**Karl:** Like... that sound that you just can't place. I'm moving in the background, reaching out. I could do anything and you'd never know...

\*cut music with dramatic silence\*

Of course, listeners, I'm not literally invisible. I'm a formless cloud of black smoke! I suppose if I stretch juuuuust enough I could, potentially, become invisible.

Ya know, listeners, I never had many good friends growing up. Sky and Via were the first people to talk to me! I really did always feel invisible...

Annnnywho! It's quite nice outside, Wyoming. A bit of rain but hey, at least none of us will melt! Oh shoot I mean well the triplets will but uh

**Via:** KARL!!! HOW DARE YOU DO THE WEATHER!

**Karl:** I'm uh I'm so sorry Via I

**Sky:** Whatever, Karl. Get out.

**Via:** As Karl was saying when he tried to SABOTAGE me. \*evil glare\* The weather isn't too shabby today. It's beginning to rain so for all you witches, it's time to seal your hovel up and have a dance party. A rain dance, to send the rain away.

**Sky:** Ah, yes! And don't forget the traditional rain dance song!

(humming Rain Rain Go Away in the background)

**Via:** Exactly, Sky! A rain dance isn't complete without its song. And don't forget, Wyoming: In every life, a little rain must fall. Kiss kiss!

**Sky:** Now, an update on our beloved Old Man Gary.

**Via:** Old Man Gary is now safe in his hovel. Don't worry, listeners, he won't be out on any bicycle races anytime soon.

**Sky:** Right, Eric is there to keep him in line and make sure that he doesn't get into any more trouble. But he kept muttering something about his bar... no... his car? Yea, that's right! His car!

**Via:** Oh yea, he said something about... a *disease*? Yea...

**Sky:** RIGHT!! Love! It's a disease! Something about... being in love with his car. Yea... Eric is in love with his car. Odd, considering no one really has cars here except the Heldewyns... oh well!

**Via:** And now, an update on Dan Dan The Man.

**Sky:** He says that he is now having a ball in preparation of tonight, Samhain. He invites all of Wyoming to the Heldewyn Castle for this magnificent night of festivities.

**Via:** For this special Samhain celebration, we will be bobbing for apples!

**Sky:** Absolutely, Via. For Dumb Supper, the Heldewyns will be serving fairy spice cakes, made with real fairy dust, as well as Purple Apple Cider and colcannon. I, for one, will not be partaking in eating that disgusting cabbage... *thing*.

**Via:** Failure to participate in this Samhain celebration, King Dan would like us to remind you, will result in extreme punishment and immediate banishment to the cornfield.

**Sky:** And remember: you must come as an animal. If you are not a shapeshifter or an animal, you should wear a costume and try your best to blend in. If you do not comply, you may be at risk of abduction by the fae.

**Via:** And if you see a black pig... run.

**Sky:** King Dan will light the traditional Samhain fire before embarking on his journey across the sky. How wonderful!

**Via:** Yes, and the triplets are very much looking forward to tonight. Their powers will be near their peak tonight, and they plan on putting on quite the show.

**Sky:** Put on your best bear face, and head on down to Heldewyn Castle. Have fun everyone!

**Via:** Right, in traffic--

\*ominous crashing and humming noises\*

**Sky:** What--

**Triplets:** One dream... One soul... one prize... one goal...

**Via:** What are you--

**Triplets:** (louder) One dream, On e Soul, One Prize, One Goal.  
This flame that burns inside of me  
I'm hearing secret harmonies  
It's a kind of magic

This kind of magic  
We have one dream one soul one prize one goal  
This kind of magic

\*magical whooshing noises\*

**Sky:** Well, that was an interesting turn of events.

**Via:** There you have it folks! I hope you enjoyed that ominous message from the triplets. And now—

**Sky:** Goo goo

**Via:** uhh Sky? You okay?

**Sky:** Yea I'm— goo gyah

**Via:** What's— Gaga

**Sky:** WHAT IS HAPPENING

**Sky & Via:** (random baby noises and crying)

**Triplets (out of nowhere):** Radio goo goo

Radio Gaga

Happy Samhain, Wyoming

(Click- static)

What's what in Wyoming is a production of Skylar Greaves and Via Sarjent for 91.3 WHJE of the Greyhound Media Network. This episode was written and produced by Via Sarjent and Skylar Greaves. Karl was Eli Milligan, Old Man Gary was voiced by Dominic James. More shows like this can be found on Whje.com. Questions, comments, concerns? DM us @whatswhatinwyoming on Instagram. Today's proverb is beware what you wish for, for the gods may grant it to you.
